|  | Utilities | \$246,840.06 |
|  | Capital Outlay | -0- |

## PROGRESS: ARE STUDENTS MAKING SUFFICIENT PROGRESS?

The school continued to monitor and review the effectiveness of the SFA Program during PLCs by analyzing data, and collaborating with colleagues on the strengths and weaknesses of the program to better improve instructional strategies for all students to succeed in the program.

To maximize instructional time and provide common planning time for teachers, PLC was established by the school's Reform Program. To implement the program with fidelity, it was required for the school to have PLCs scheduled throughout the school year. PLC was developed and designed to meet the needs of the Grade Level and Reform Program. Therefore, PLC meets by Grade Levels, SFA Reading Wings and Roots, SFA Writing and Math as scheduled on the school's calendar.

## ENVIRONMENT: IS THE SCHOOL ENVIRONMENT SUPPORTING STUDENTS, TEACHERS, and FAMILIES?

- School holds a quarterly "Second Cup of Coffee" a program designed to give the school the opportunity to meet and visit with parents in an informal way when dropping off their children. This program establishes and maintains a positive home-school relationship.
- The Solution's Network Committee is made up of a team of teachers working together to discuss school goals, areas of concern, and plan for accomplishing goals and addressing concerns.
- The Solution's Network Committee is made up of a team of teachers working together to discuss school goals, areas of concern, and plan for accomplishing goals and addressing concerns.
- Getting Along Together is a school-wide program designed to promote and enhance the development of a child's social skills so that the child will develop into a peaceful, productive, and creative thinking individual.
- The Class Council Meetings is a powerful tool in creating an atmosphere where students support and encourage each other in implementing problem-solving strategies and communication skills.

## OUTCOMES: WHAT STUDENTS ARE ACCOMPLISHING?

All through SY 2011-2012 AHES had concentrated on a Goal Focused Achievement plan for progress towards a year-end goal to increase the number of students reading at or above grade level from Baseline Data to the End of the School Year. Teachers collected data, analyzed their data at scheduled PLC meetings and put classrooms interventions in place. The principal and facilitator observed classroom for the identified achievement plan interventions and collection of data.

- The results of that data is at Baseline $66.89 \%$ of our students were reading at or above grade level as reported on the SFA Grade Summary Form. By the end of the school year $72.47 \%$ of students were reading at or above grade level as reported on the SFA Grade Summary Form. That is an increase of $5.58 \%$
- The results of that data is at Baseline $72 \%$ of our students were mastering writing as reported on the SFA Writing Mastery Database. By the end of the school year $80 \%$ of students were mastering writing as reported on the SFA Writing Mastery Database. That is an increase of $8 \%$

All through SY 2011-2012 AHES had concentrated on a Goal Focused Achievement plan for progress towards a year-end goal to increase the number of students achieving mathematics mastery from Baseline Data to the End of the School Year. Teachers collected data, analyzed their data at scheduled PLC meetings and put classrooms interventions in place. The principal and facilitator observed classroom for the identified achievement plan interventions and collection of data.

The results of that data is at Baseline $51 \%$ of our students were mastering mathematics as reported on the SFA Mathematics Mastery Database. By the end of the school year $65 \%$ of students were mastering mathematics as reported on the SFA Mathematics Mastery Database. That is an increase of $14 \%$

The SAT10 performance standards are content-referenced scores that reflect what students know and should be able to do in given subject areas. As a norm-referenced test, student scores are compared to the performance of a norm group, comprised of a national sample.

Performance Levels
Level 3, Proficient Represents solid academic performance indicating students are prepared for the next grade
Level 4, Advanced Signifies superior performance beyond grade-level mastery

| STUDENT ACHIEVEMENT 17GCA Chapter 3, §3106(b)(6) Comprehensive Testing Program (CTP) |  |  |  |
| :---: | :---: | :---: | :---: |
| PERFORMANCE CLASSIFICATION |  |  |  |
| SAT10 Proficient \& Advanced Levels | School Data |  | P.L. 26-26 Grade Classification |
| SAT10 Grade 1 - Reading | 41\% |  | Low |
| SAT10 Grade 1 - Math | 42\% |  | Low |
| SAT10 Grade 1 - Language | 45\% |  | Low |
| SAT10 Grade 2 - Reading | 21\% |  | Low |
| SAT10 Grade 2 - Math | 25\% |  | Low |
| SAT10 Grade 2 - Language | 5\% |  | Unacceptable |
| SAT10 Grade 3 - Reading | 29\% |  | Low |
| SAT10 Grade 3 - Math | 33\% |  | Low |
| SAT10 Grade 3 - Language | 28\% |  | Low |
| SAT10 Grade 4 - Reading | 26\% |  | Low |
| SAT10 Grade 4 - Math | 30\% |  | Low |
