# **EXEMPLARY PROGRAMS**

- Star Student Award -- Every year, students are recognized for their achievement of meeting the benchmark or better on the District-wide Assessments in the areas of Language Arts, Reading, and Math. This year, 21 students were recognized at the Platinum Level, 26 students at the Gold Level, 43 students at the Silver Level, and 4 at the Bronze Level.
- Positive Behavioral Interventions and Supports (PBIS) --PBIS is implemented to improve school climate and decrease student discipline. This program is aligned with the SFA Getting Along Together Model which teaches students to apply strategies they learned when dealing with conflict. The School Climate Cadre developed School-wide Behavior Expectations and Lesson Plans to teach the identified

#### SPECIAL AWARDS

positive behaviors. Students have a chance to win weekly prizes at the Bee Hive through their Honey Tickets. Students are also recognized as the Student of the Month for their display of the three Behavior Expectations.

- Mimisaka University Cultural and Learning Exchange -This marked the 6th year partnership with Mimasaka
  University in Japan. University students studying to be
  elementary teachers observe classrooms and interact with our
  students while cultivating an exchange of culture, friendship,
  and learning. Yearly, two students and one teacher is invited
  to Japan to experience a home stay program with them. An
  approval for a Rhythm Jump Training Study with Mimasaka
  University is awaiting approval.
- ❖ Jump Rope for Heart / Sports Week -- A school wide community service project through the American Heart Association that promotes heart health education—nutrition, exercises like jump roping, living tobacco-free, and CPR awareness—while raising life-saving funds to promote research and the development of educational materials to decrease heart disease and stroke nationwide. Students participated in exercise stations, dancing and other sports activities during the week. AHES was 3rd place overall fundraiser for the territory--raising \$1,760.
- Success in Reading -- AHES blends the Success For All Program with the Common Core State Standards in Reading. All through SY 2015-2016, we concentrated on a Goal Focused Achievement plan to increase the number of students reading at or above grade level from Baseline Data to the End of the School Year. Teachers collected data, analyzed their data at scheduled Grade Level / PLCs meetings and put classrooms interventions in place. The principal and Curriculum Coordinator observed classroom for the identified achievement plan interventions and collection of data.

SCHOOL-WIDE EXPENDITURES

Other Expenditures

Maisa, The Chamoru Girl Who Saves Guåhan, an animated movie in the Chamorro language, featured the voice of two AHES students – Maria Calvo (5<sup>th</sup> grade) and Zachariah Calvo (3<sup>rd</sup>grade)

#### **ACCOMPLISHMENTS**

- Teachers and staff trained in the SPARK Program in order to increase physical activities in students and reduce child obesity.
- AHES PTO continues their strong support of the environment through the i-Recycle Program.
- ❖ In SY15-16, AHES was the first elementary school to train 5<sup>th</sup> grade students and teachers how to perform *Hands-Only Adult CPR* through the American Heart Association (AHA) video-based training program.
- AHES supports Box Top for Education which allows for the purchase of school resources for our students and teachers.
- PBIS Spirit Week and PBIS Student of the Month to celebrate positive behavior at AHES.
- AHES participated in Red Ribbon Week which is a nationwide campaign that promotes drug awareness and prevention by encouraging the school community to participate in various drug-free activities and discussions.
- Chamoru Month activities of guest speakers, cultural dancers, and fieldtrips to historical sites foster knowledge and respect for the island and our culture.
- GATE Students participated in the AHES and Island-wide Science Fair to promote STEM.
- Fifth grade students participated in the Judiciary of Guam Annual Mock Trial where they learn about court proceedings and their Miranda Rights.
- Career Week held for 5<sup>th</sup> graders who were exposed to various careers in the community and visited by such companies and organizations as Guam Power Authority, Jamaican Grill, Pacific Islands, and Department of Youth Affairs.

Due to alignment with the National Public Education Financial Survey (NPEFS), they are significantly different from the SY 14-15 SPRC expenditure figures.

#### PROGRESS: ARE STUDENTS MAKING SUFFICIENT PROGRESS?

Agana Heights Elementary School continues to focus on **Professional Development (PD)** in order to meet high standards for qualifications and to increase student achievement. Year-long PD Plans again focused on the implementation of best practices for teaching strategies with fidelity; STEM and CITW were emphasized throughout the year. PDs also focused on mastery of skills through proficiency scales in order to create **Common Formative Assessments** in order to gauge mastery of the CCSS being taught.

AHES started using the **AimsWeb** assessment SY2014-2015 for Math. This year, the Reading assessments were introduced to both teachers and students. The **Success for All (SFA)** Reading assessments are also utilized to give us another type of data for student performance.

Based on AimsWeb assessment data, teachers agreed to focus on increasing student Math scores. **Professional Learning Communities** meet bi-monthly with the Principal and Curriculum Coordinator to review assessment data, plan for interventions and progress monitor students performing at tier 3. Teachers shared teaching and intervention strategies in order to better facilitate the learning of their students.

# ENVIRONMENT: IS THE SCHOOL ENVIRONMENT SUPPORTING STUDENTS, TEACHERS, & FAMILIES?

AHES began the initial accreditation process with the **Western Association of Schools and Colleges** in September 2015. The school community—teachers, students, parents—looked at our purpose as a means to re-visit our school mission. In April 2016, the community agreed on a new mission statement, "Agana Heights Elementary School provides quality education to develop respectful and responsible lifelong learners in a safe environment." The process has given the entire school community the opportunity to examine and reflect on school curriculum, instruction, and assessment as well as school leadership and support to students. The process will continue school year 2016-2017, with a visit from WASC in Spring 2017.

The **PBIS Student of the Month** and **Student of the Year** just completed its first full year of implementation. With the Student of the Month, students win the opportunity to take a friend to the front of the line and sit at a special table during lunch for their recognition of displaying the three school wide behavior expectations of being respectful, responsible and safe. Students strived hard to earn Honey Tickets in order to collect as many to win the overall Student of the Year and win a summer gift package. AHES endorses a safe learning environment for all and student discipline is less than 1%.

### OUTCOMES: WHAT ARE STUDENTS ACCOMPLISHING?

SY 2014-2015 **ACT Aspire and SBA** summative evaluation results are the baseline data to be used based on our **State Strategic Plan**. The intent is to have 80% of the students perform at 'Proficient/Ready' on the yearly **District-Wide Assessment (DWA)**.

- Baseline data showed that 54% of our 3<sup>rd</sup> –5<sup>th</sup> grade students scored at the 'Ready' level in English based on the ACT Aspire summative evaluation.
- Baseline data showed that 21% of our 3<sup>rd</sup> 5<sup>th</sup> grade student scored at the 'Ready' level in Reading based on the ACT Aspire summative evaluation.
- Baseline data showed that 25% of our 3<sup>rd</sup> 5<sup>th</sup> grade student scored at the 'Ready' level in Math based on the ACT Aspire summative evaluation.
- Baseline data showed that 55% of our 1<sup>st</sup> 2<sup>nd</sup> grade student scored at the 'Proficient/Advanced' levels in Reading based on the SBA summative evaluation.
- Baseline data showed that 50% of our 1<sup>st</sup> 2<sup>nd</sup> grade student scored at the 'Proficient/Advanced' levels in Math based on the SBA summative evaluation.

During SY 2015-2016, 100% of students were promoted to the next grade level.

In SY 2015-2016, 3rd graders showed a 16% increase in **English**, with 68% of students scoring at the 'Ready' level on the ACT Aspire assessment.

In SY 2015-2016, 3rd graders showed a 2% increase in Math, with 33% of students scoring at the 'Ready' level on the ACT Aspire assessment.

In SY 2015-2016, 5th graders showed a 3% increase in **Math**, with 16% of students scoring at the 'Ready' level on the ACT Aspire assessment.
