ANNOUNCEMENTS

- We hope you all enjoyed your Thanksgiving and are doing well and staying safe.
- With the passing of the **GEB Resolution 2021-12**, our Bumblebees' return to five days of instruction on November 29th was a little challenging with the inclement weather. However, our students were happy and excited to have reunited with their classroom peers as faculty and staff were resilient and ensured the operations and safety of our students were in place. Our second day was much smoother. We have a wonderful team and are all committed to improving our services for our Bumblebees!

Back to School SAFETY GUIDE
STUDENT EDITION

- 1 Monitor your health. Don't come to school if you are not feeling well. If illness persists, please seek medical attention.
- 2 Wear your mask and make sure you are wearing it properly. Practice social distancing and avoid close contact.
- 3 Wash your hands with soap frequently for at least 20 seconds. Sanitize often and refrain from touching your face.
- 4 If you have any questions or feel a certain way, reach out to your family or trusted adults. Never be afraid to ask questions.
- 5 Let your school administration know if you have any concerns regarding safety protocols. Communicate with them so that they can take action if needed.
