

# Encouraging Appropriate Behavior

## “Honey Tickets” Procedures

A component of Agana Heights Elementary School’s School-Wide PBIS Program

### **What is a *Honey Ticket*?**

A *Honey Ticket* is an incentive for students to follow the School-Wide Behavioral Expectations. The purpose of the tickets is to promote positive interaction with students by every faculty and staff member. The *Honey Ticket* is much like a “Gotcha” ticket that is used to “catch students being good” except that we fittingly and lovingly named it, “*Honey Tickets*” to fit our school’s Bumblebee mascot.

### **How do students earn *Honey Tickets*?**

Faculty and staff members will get 12 *Honey Tickets* per week. They will give out the *Honey Tickets* throughout the school day to students they feel are following the School-Wide Behavioral Expectations (as per the Behavior Matrix). They must “catch” prospective students “being good”. Students are discouraged from asking for *Honey Tickets*. They must be earned. 😊

### **What do students do with *Honey Tickets*?**

Students will deposit their *Honey Tickets* in their grade level’s designated “Honey Pot” (there will be 1 Honey Pot per grade level).

### **What do students get for *Honey Tickets*?**

Each Friday (or last day of the week) a designated faculty or staff member will pick 10 tickets from each grade level’s Honey Pot. The students who are picked will have the chance to pick a reward from the Opportunity Hive.

### **Filling out a *Honey Ticket*:**

Please write the students’ name, homeroom, and grade level on the back of the tickets. Please ensure your handwriting is legible so that the individual pulling *Honey Tickets* will be able to easily read the students’ name.

### **After completing a *Honey Ticket*:**

Direct student to deposit his/her *Honey Tickets* in the Honey Pot.

### **Where do I get my *Honey Tickets*?**

*Honey tickets* will be placed in your box every Monday (or beginning of the week).
