# Welcome to Agana Heights Elementary School!

We are excited and welcome you to School Year 2021-2022. We look forward to a productive and fun-filled year! Agana Heights Elementary School embraces the belief of creating meaningful partnerships with our families and community. We are proud to provide this Student/Parent Handbook and Planner as a tool for successful learning. The planner will also be utilized as a form of communication between the home and school.

Please take the time with your child(ren) to read and understand the contents of this handbook and planner. Various District and School policies/procedures are discussed for your information, safety, and well-being. There are also many great features to help enhance your child's learning experience throughout the school year. Students will be expected to bring their AHES Planner daily to class.

The administration, faculty, and staff of Agana Heights Elementary are excited to make a difference in the lives of your child(ren). We invite you to be an active parent in our school. WE NEED and WELCOME your support!

Together, we can help our students succeed and become productive citizens in our community!

### How to use the Planner:

1. Students are **expected** to make a note of any assignments/homework for each class, to include noting “no homework”, so each class box is filled each day –no blanks left. The planner will be part of the textbook/materials required for all classes. (Teachers may opt to insert and staple Homework assignments into the planner.)
2. Teachers can make notes or comments to communicate with parents.
3. Parents are **highly encouraged** to check the planner daily to verify if the student has homework or if a response is needed for the teacher or other school personnel.
4. If phone contact is not available, other school personnel may also use the planner as a form of communication (administrator, counselor, nurse, librarian, social worker, etc.)

## Office Procedures

**Visitor's Procedures** – Agana Heights is a **closed campus**. Upon arrival to campus, **all visitors**, including parents/legal guardians, must: sign in at the Main Office, present identification and obtain a pass before entering our campus. Parents/legal guardians are encouraged to visit the school to meet and confer with their child's teacher, staff, or the principal on matters concerning their children. Parents/guardians are always welcome, but we recommend **an appointment** be made **in advance**. This ensures the conference will occur at a time when it's convenient to both school personnel and parent. Visiting middle/high school students and siblings are not allowed in the classroom unless **prior approval** is obtained from the principal.

**Campus Hours** – Campus gates open at **7:15 a.m.** Office hours are 7:15am – 3:30pm. Students are not allowed on campus before this time. Main drop-off and pick up of all students will be at the Mayor's Canopy sidewalk, by the AHES Library (See map). **Instruction begins at 8:30 a.m. and ends at 2:43 p.m.** Bus riders, walkers, car riders, and after school program students are to line up in their designated areas. **All car riders must be picked up no later than 3:15 p.m.**

**Registration** – When registering students, parents/legal guardians must present the health record (including the immunization record and health exam record done within one year of the registration), birth certificate, utility bill or rental/lease agreement confirming street address or mayor's verification, and a map showing the parent's place of residence. The latest report card and withdrawal documents from the previous school will also be requested, if applicable. Registration will be completed when all necessary documents are submitted. Families renting in the attendance areas for the school (parts of Agana Heights and parts of Piti; see school officials for exact attendance zones) are required to submit updated mayor's verification prior to the new school year.

**Attendance Areas / Out-of-District Student (OOD)** – The attendance area for our school includes most of the village of Agana Heights and the main village of Piti, not including the Nimitz Hills area (please verify with the school for exact attendance areas). Priority for enrollment will be given to students living within the AHES Attendance Areas. **The Out-of-District Request** must be approved by the school principal, depending on availability of space, the child's academic standing, behavior, attendance, and parent's involvement in the school. If a condition in the OOD agreement is violated, student withdrawal will be effective at the end of the current quarter. *Approvals are granted for one school year, therefore, parents must reapply for Out-of-District approval before the start of each school year (Board Policy 318).*

**Student Release** – A student will **NOT** be released to any person other than the parents/legal guardians, unless he or she is designated for approval on the student emergency information. **YOU MUST** bring proper identification while on campus and/or picking up students. Students **must** be signed out in the Main Office

**Withdrawal** – If you plan to withdraw your children, please notify the school at least **3 working days** to prepare the documents. These documents may be picked up on the last day of attendance. Parent/legal guardians will be notified of any lost books, equipment, or debt which the student is responsible for.

**Change of Address or phone number** – Please inform the school if you have changed your residential address, phone numbers, or email address. Updating contact information is important to us. The safety of your child may depend on how quickly we can contact/communicate with you. Again, if you have moved to another attendance area, please inform the school. It is important that your child be enrolled at the school in their attendance area.

**Student Information Card** – Parents will be required annually to fill out and keep their child's Information card updated. This form indicates emergency contact numbers for the main office and the nurse. Please keep in mind that people you list are the only authorized individuals the school will release your child to during the school day.

**Court Documents** – Court documents, such as custody agreements or restraining orders, need to be kept on file with the child's cumulative folder. Please provide a copy to the school for your child's record and safety of all involved.

**Verification of Enrollment Requests** – Request for Student Enrollment Verification will be accepted **2 working days** in advance. Parents and guardians will be required to meet with an administrator or the teacher should there be a concern with

the student's academics, behavior, or attendance. Student Enrollment Verification forms are official documents and must be picked up from the main office.

**Articles Prohibited on Campus** - Items which may be hazardous, harmful to others, or which may interfere with school operations are prohibited. The following is a list of items that are prohibited: hats, expensive jewelry, electronic games, basketballs, soccer balls, footballs, CD/DVD players, playing cards, knives, blades, matches, lighters, cigarettes, e-cigarettes, vape/pods, cameras, roller blades, and other similar items. **Cellular phones are allowed for student safety, but must follow the DOE Cell Phone Policy and not be used during instructional time. Also, it is not to be used as a camera/recording device or toy.** Confiscated items, when applicable, will be returned solely to the parents/guardians of the child. All confiscated items will be disposed of at the end of the school year. **AHES and the Guam Department of Education will not be held liable for any stolen items brought from home to school.** We encourage all our parents to speak to their child regarding this matter.

**Lost and Found Articles** - When articles (excluding books) are found, they are submitted to the lost and found area in the hallway near the Nurse's Office. Lost articles may be claimed in the office during recess, lunch or before dismissal in the afternoon. Any clothing and lunch pails will be hung outside the Nurse's Office. Any articles left after 10 days will be appropriately disposed of. All items brought to school should be clearly identified with the student's name and grade. This will expedite the return of items to the rightful owner.

## **AHES Academic Programs (BP345 and BP346)**

Guam Department of Education Schools implements the Common Core State Standards (CCSS) along with the Guam Content Standards and Performance Indicators. These standards set the curriculum and drives instruction in the classroom. In recent years, teachers have been exposed to various trainings in *Classroom Instruction That Works* (CITW), Big 8 Literacy strategies, SIOP, Standards Based Grading and Assessment, FOSS and STEM in order to stay current with latest education research and best practices.

Our **Reading classes** use the CCSS supported by the best practices such as the *Success for All* (SFA) Program, CITW, and SIOP. Reading classes are daily for sixty (60) minutes. Cooperative learning is embedded in all our classes, which focuses on common goals, recognition of group success, as well as individual student accountability. Providing the opportunity to work with their classmates enable students to have the support of their peers as they continue to grow and master grade level skills.

**OTHER CONTENT AREAS**- Students are also provided instruction in the subject areas of Social Studies, Health, Physical Education, Art and Music in their regular class. The content covered in these subjects areas are aligned with the Guam Department of Education Content Standards and Performance Indicators and with the adopted Common Core State Standards. The Guam Education Board recently adopted the Next Generation Science Standards and teachers will receive training as the Departments shifts to the NGSS.

**CHAMORRO LANGUAGE & CULTURE (BP340)** – The Chamorro Language and Culture Program is mandated by law. The language and culture of Guam is taught in grades Kindergarten-5<sup>TH</sup> for 30 minutes daily.

**ESL – ENGLISH AS A SECOND LANGUAGE (BP312)** – The ESL program provides supplementary instruction to those students who are Non- or Limited English speakers. Eligible students can be either serviced under the following: pull out, push in, sheltered and consultation.

**SPECIAL EDUCATION (BP342)** - This program provides services for students who are identified with special needs. The type of supports and amount of time spent in the general education classroom or resource classroom is dependent on the Individual Education Plan (IEP) prepared for each student. Resource room teachers may also provide consultative services to the student's regular classroom teacher, if indicated in their Plan. The program may provide services such as Speech and Language Therapy, Occupational Therapy, Physical Therapy, Assistive Technology and Leisure Education; again this is dependent on the student's IEP.

**GATE** (Gifted and Talented Education) - Students identified as gifted and talented are enrolled in the GATE program, attend GATE classes weekly. Identification is based on an achievement test score (nationally normed), a rating by the child's teacher, and two intelligence tests.

**LIBRARY:** The Library is open daily, Monday to Friday during the school day while students are in session. A dedicated class library time is scheduled once a week for 30 minutes, but students may also visit during recess and lunch. It may be closed for certain occasions such as special testing, presentations, or specialized class instruction planned by the classroom teachers. Students will have the opportunity to use the school library to check out books for a week at a time. It is the parent's/guardian's responsibility to pay for library books that are lost or damaged by your child. Students who have outstanding books will not be allowed to borrow books until cleared from all financial responsibilities. Additionally, report cards will be held and attendance at school activities, such as the 5<sup>th</sup> grade promotional ceremony, may be denied until payment is made or the book is returned undamaged.

**AHES AFTER SCHOOL PROGRAM (ASPIRE)** – If available, students who are in need of remediation from Reading, Language and Math Skills may be eligible for the ASPIRE after-school program or tutoring after school. Teachers will refer and communicate with parents regarding the availability, eligibility, and cost of the program. The tutoring component of the program is free, but is based on funding and personnel. *Overall program availability is dependent on funding and personnel.*

**POWERSCHOOL / PARENT PORTAL** – First to fifth grade parents may access their child's grades and attendance through the parent portal. Employee email addresses may also be available via the Parent Portal. Visit or contact the Main Office to request and obtain your username and password. Announcements are also made through our PowerSchool System SwiftK-12. Please ensure your contact information is periodically updated.

**GRADING AND REPORT CARDS (BP350)** – Academic grades are based on attainment of grade level skills as set forth by the Guam Education Board. Children who are enrolled in special programs are graded based on grade level standards and goals set forth in their IEP. Report cards are issued quarterly. On the 1<sup>st</sup> and 2<sup>nd</sup> quarters, report cards are given during our Parent-Teacher Conference. During the 3<sup>rd</sup> and 4<sup>th</sup> quarters, report cards are sent home with the student. Parents should maintain open communication between the home and the school.

**PARENT-TEACHER CONFERENCES** – Two (2) Regular scheduled conferences are held during the school year, usually within two (2) weeks after the close of the first (1<sup>st</sup>) and second (2<sup>nd</sup>) quarters. Parents are highly encouraged to attend these conferences to discuss their child(ren)'s progress with the teachers. Other arrangements may be made by either the teacher or the parents for individual conferences as the need arises. Reminders for parents when having Parent-Teacher Conferences:

- Prepare – write down anything you want to tell the teacher to help him/her better understand your child.
- Decide what questions you'll ask; ask how your child is doing academically and socially or about subjects being studied now or planned for the future. Make appointments with any specialist who works with your child, so you can talk with him/her during the conference.
- Ask your child if there is anything he/she would like you to discuss with the teacher(s).
- Be polite, pleasant and prompt. It is important to develop a good relationship with your child's teacher(s). Listen carefully to any recommendations.
- Ask the teacher how you can help your child overcome areas of weakness and build upon strengths.
- Don't be afraid to discuss any concerns. The staff or counselor can refer you to DOE or community resources, if needed.
- Plan to observe your child's class. Ask the teacher if you may visit the classroom during instructional time. This will show your child that you care about his/her education. Keep in mind that your child often behaves differently when an observer is present.

**FIELD TRIPS (BP363)** - A field trip is a trip of educational value to the students closely related to course content and is regarded as an extension of the class work. It motivates interest in a new unit, supplements, and enriches an ongoing unit, or reviews learning experiences. A field trip offers an opportunity not available through the use of books, films, and other visual aids in the classrooms.

A parent or guardian must sign written permission for a child to go on a field trip. The school will inform you of the objective of the field trip, where and when it will take place. Parents/Guardians are to ensure permission forms have been submitted to the teacher well in advance before the day of the trip. Telephone calls to get permission will not be accepted. Parents/Guardians may accompany their child(ren) on field trips if arrangements are made with the classroom teacher.

If field trips are scheduled during lunchtime, parents/guardians may be asked to provide a sack lunch. Otherwise, packed school lunches will be arranged with the cafeteria.

All precautions will be taken by the classroom teacher to ensure students are safe during the field trip. Students are reminded that all school and safety rules apply while on a field trip and taking unnecessary chances may jeopardize their right to participate in another field trip. Students may not be allowed to participate in a field if inappropriate behavior continues. At the discretion of the teachers, parents may be asked to accompany the child on the field trip to ensure the child will act appropriately or the student may be placed in another class for the duration of the field trip. Uniforms are to be worn on fieldtrips.

**HOMEWORK** - Homework will be assigned by the classroom teacher. Please monitor your child's homework planner and sign off when they have completed all their assignments. Students (from grades 1<sup>st</sup> – 5<sup>th</sup>) are expected to do their Read and Response Log each night (read for 20 minutes with parent and summarize what they read.)

### **HOMEWORK GUIDELINES**

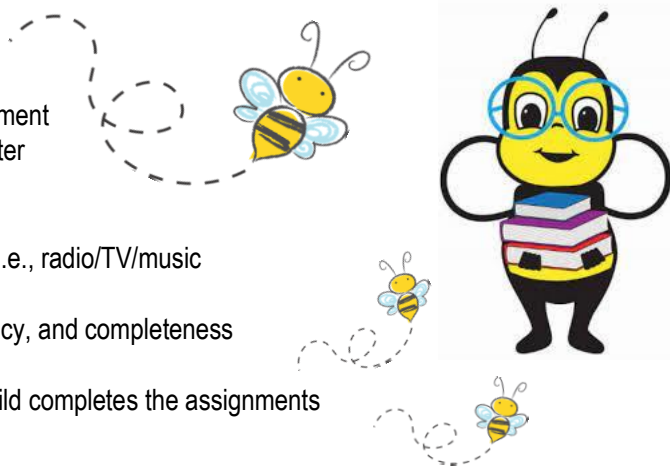

#### ***The purpose of Homework is:***

- Reinforce what the child has been taught by
- Providing practice of a learned skill
- Extending knowledge and interest
- Providing practice in researching information
- Providing drill in weak areas
- Developing positive attitudes towards school
- Developing good work/study habits
- Encouraging creative activities

#### ***Parental responsibilities regarding homework are:***

- Check homework daily
- Confer with teacher if child is unclear about assignment
- Show interest. Take assignments as a serious matter
- Answer questions
- Assist in planning time
- Provide proper atmosphere. Remove distractions: i.e., radio/TV/music
- Provide necessary supplies
- Look at finished assignments for: neatness, accuracy, and completeness
- Listen to your child
- Sign or initial the Homework Planner when your child completes the assignments

### **STUDENT TEXTBOOKS**

The Department of Education provide textbooks free for student use. Students assume full responsibility for issued books. Books are issued by the subject teacher and must be returned in the same condition to the same teacher upon completion of the school term, withdrawal from school, or transfer to another teacher. Students are responsible financially if they lose or damage any textbook or workbook issued to them. Charge for lost books will be assessed at the current purchase book price. A notice, which includes the price for replacing the book, will be sent home via your child. Full payments must be made prior to any promotional activity in order for the child to participate.

## **DISTRICT-WIDE ASSESSMENT (DWA)**

Each year all DOE students in grades first to fifth, are administered the Guam Standards Based Assessment/SBA (criterion-referenced test) and/or a norm referenced test such as the SAT/ACT Aspire. First and Second Grades will take the Guam SBA in the areas of English, Language Arts, and Math. Third, Fourth, and Fifth Grades will take the norm referenced test in the areas of Reading, English, and Math. First through Fifth Grades will take the Guam SBA in Science and Social Studies. Parents will be notified of any District changes regarding DWA assessment.

## **Student Awards Criteria**

**Principal's Award (Kindergarten)** requires that the students have 98% - 100% average percentage grade of all skills mastered each quarter. Student shows strong effort in school work, completes daily assignments and shows excellent character. Student has no disciplinary actions/referrals (ODRs) to the office. The student must receive this award for all four (4) quarters during the school year in order to receive recognition at the end of the school year.

**Principal's Award (for 1<sup>st</sup>-5<sup>th</sup> grade students)** requires a grade point average of 95%-100% in the core subjects (Reading, Language Arts, Math, Social Studies, Science, Health and Chamorro), maintain an "E" for citizenship/ Character Development and NO disciplinary actions/referrals (ODRs) to the office. The student must obtain all requirements for all four (4) quarters during the school year in order to receive recognition at the end of the school year.

**Perfect Attendance (All Grade Levels)** – 100% attendance; No absences (excused or unexcused), no tardies, and no leaving school early. The Student must be present for the **ENTIRE** school day. The students must meet all requirements for all four (4) quarters during the school year in order to receive recognition at the end of the school year.

**A Honor Roll** requires 90%-100% grade point average. Average percentage will be based on core subjects (Reading, Language Arts, Math, Social Studies, Science, Health and Chamorro). Any student receiving a "D" or "F" in any core subject is disqualified from receiving an "A" Honor Roll.

**B Honor Roll** requires 80%-89% grade point average. Average percentage will be based on core subjects (Reading, Language Arts, Math, Social Studies, Science, Health and Chamorro). Any student receiving a "D" or "F" in any core subject is disqualified from receiving a "B" Honor Roll.

**Excellent Citizen Award** – Maintain an "E" for Citizenship/Character Development sections.

**Most Improved** – This award is optional and will be at the teacher's discretion.

**Star Student District-Wide Assessment (DWA) Awards-** Students throughout DOE take the District-wide assessment during the 4<sup>th</sup> quarter. Students are recognized for the academic achievement with the Star Student Award. Due to updates in data reporting, the recognition criteria will be announced to students and parents later in the school year.

## **Attendance**

## **Title 17 GCA) DUTY TO SEND CHILDREN TO SCHOOL**

Any parent, guardian or other person having control or charge of any child who is at least five (5) years of age and has not reached the age of sixteen (16), not exempted from the provisions of this Article, shall send the child to public or private full-time day school for the full-time of which such schools are in session, except that the starting date of school for children five (5) years of age shall be determined by the provisions or 6103 and 6107 of this Article. The superintendent is authorized to establish attendance areas. Any parent, guardian or other person having control or charge of any such child who is at least five (5) years of age, and has not reached the age of sixteen (16) years, who fails to comply with these provisions, unless excused or exempted therefrom, is guilty of a violation for the first offense, and subject to a fine of not more than Fifty Dollars (\$50). For each subsequent offense, the person is guilty of a petty misdemeanor.

**Absences of three (3) consecutive days or more require a doctor's excuse with a "reporting back to school" date.** We highly encourage regular and prompt attendance from students. Students should be at school daily, in their classroom and ready to learn by 8:30 am.

It is the **parent's responsibility to call the school and submit an excuse note** to your child's teacher upon return. If a child does not bring any document to support the absence, then the absenteeism is considered an Unexcused Absence. **A total of 12 days of Unexcused Absence will be forwarded to the Truant Officer.**

*Title 17 GCA PL 124-142 Section 64-2:* A pupil is TRUANT when they are absent from school without reasonable and bona fide excuse from a parent. HABITUAL TRUANT is a pupil who has incurred 12 or more unexcused absences in a school year and is of compulsory attendance age.

**ABSENCES: PARENTS ARE HIGHLY DISCOURAGED FROM SIGNING OUT THEIR CHILDREN BEFORE 2:43 PM FOR APPOINTMENTS. If possible, please make dental or doctor's appointments after school.**

**Excusable absences are:**

- Illness of child or quarantine in the home
- Medical or dental appointment (**please try to make appointments after 2:45 p.m.**)
- Court required appearance (provide court appointments)
- A death in the immediate family (must communicate with school)
- Travel (prior approval is needed from the principal & teachers)
- Participation in authorized school related activities
- Natural catastrophe
- Late bus

**Absences that are not excused include, but are not limited to, the following:**

- Caring for or assisting family member
- Absences due to nightly rosaries
- Watching/babysitting a sibling
- Missed the bus
- Woke up late, etc.

**UNEXCUSED ABSENCE**

If a child does not bring any document to support the absence, then the absenteeism is considered an Unexcused Absence. **A total of twelve (12) days of Unexcused Absence will be forwarded to the District Truant Officer.**

ATTENDANCE POLICY	
3 <sup>rd</sup> Unexcused Absence	<ul style="list-style-type: none"> <li>• Teacher calls home/send note home/communicates through homework notebook.</li> </ul>
6 <sup>th</sup> Unexcused Absence	<ul style="list-style-type: none"> <li>• Referral to the Administrator</li> <li>• Parent Meeting</li> </ul>
9 <sup>th</sup> Unexcused Absence	<ul style="list-style-type: none"> <li>• Parent meeting with Truant Officer will be scheduled</li> </ul>
12 <sup>th</sup> Unexcused Absence	<ul style="list-style-type: none"> <li>• Referral to the Truant Officer for court</li> <li>• Referral to CPS for Neglect</li> </ul>

**\*\*\*Additional Consequences may apply**

## **PREARRANGED ABSENCE**

The Principal has the authority to approve or disapprove advanced absence(s) due to off-island reasons. Contact the school if you have any questions. Kindly take note of the following:

- Complete a Pre-arranged Off-Island Form and submit it to the Main Office at least five (5) working days **prior** to departure.
- Submit copies of the airline tickets/itinerary, doctor's note, etc.
- The school administration highly considers your child's teacher's input on student progress and attendance in determining the approval of the request.
- If a child is to be out for a prolonged period (10+ days), he/she may need to withdraw from school and enroll elsewhere. A doctor's certification is required to justify the absence(s).

## **TARDINESS**

All students should come to school on time. Valuable instructional time is lost by the tardy student as well as the entire class when a student walks into class late. Being on time is a lifelong positive behavior that must be developed at a young age. . It is the responsibility of the parent or guardian to model this and ensure that all students arrive to school on time.

If a student is **NOT** in his/her Homeroom class by 8:30 a.m., he/she is considered tardy. Tardy students will be admitted into the classroom after they have obtained a ***Tardy Slip*** (excused or unexcused) from the Main Office. The School will monitor every 3<sup>rd</sup> unexcused tardy. Excessive unexcused tardies will result in the following action(s):

- Teacher/School notification of the excessive tardies
- Mandatory meeting with the teacher/school administrator
- Report excessive unexcused tardies to the DOE Social Worker or Truant Officer, who will conduct home visits to check the welfare of the child or for the appropriate attendance area (Out-of-District)
- Report the excessive absences/ tardies to Child Protective Services as "Neglect"
- If your child is an "Out of District" student, he/she can be withdrawn and he/she will have to attend the school in their attendance area.

## **EXCESSIVE EXCUSED TARDIES AND ABSENCES**

If there are excessive tardies and/or absences based on parent letters, the principal may require a doctor's certification or other documentation to support the "excused" claim if excused absences and tardies exceed 3 days per quarter or 12 days within the year. If the parent/guardian fails to provide these documents within a specified timeframe, the "excused" will be converted to unexcused. A mandatory parent meeting will be held with the Principal and other school officials such as the DOE Social Worker or Truant Officer.

## **Food and Nutrition**

### **SCHOOL BREAKFAST AND LUNCH PROGRAM**

#### **• COMMUNITY ELIGIBILITY PROVISION (CEP) PROGRAM**

- AHES participates in the CEP Program. It is an option available to school districts participating in the United States Department of Agriculture National School Lunch Program and School Breakfast Program.
- **All** enrolled students in schools implementing the CEP are eligible to receive a healthy breakfast and lunch at **NO COST** every school day, irrespective of family income
- No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit a meal application.
- Breakfast will be served from 7:20 a.m. – 8:25 a.m.
- Students can opt to pack their lunches; they will eat with their classmates in the cafeteria.
- We **discourage** parents from **dropping off lunch** to their children. Please decide either to pack their lunch in the morning or allow them to eat the school meal. There have been several incidences where students are crying in the office because their lunch did not come on time or did not come at all. The office cannot continue to contact parents via phone in order to ensure that "lunch is on its way." It is difficult to track students down in the playground when their lunch is finally delivered.

- Students are **not allowed** to share their snacks and lunches in order to prevent allergic reactions, avoid the spread of food-borne illnesses, and to ensure COVID-19 safety measures are sustained.
- **SNACKS & DRINKS ARE ALLOWED OUTSIDE THE CAFETERIA.** As a result of limited space in the cafeteria, students will be allowed to eat snacks at their designated seating area in the hallway and must ensure to properly dispose of their trash after consumption.

**CLASS PARTIES** - Board Policy 705 prohibits foods of minimal Nutritional Value from being given, sold, or promoted during school hours of operation and during all sanctioned student extracurricular events. **Due to the COVID-19 pandemic and new safety protocols that are in place, no class parties will be allowed for SY 2021-2022 to ensure the safety of all students and respective teacher.**

## Student Services

**Guidance Counseling-** The school counselor is available to assist students. Students must, however, make arrangements with their homeroom teacher if they want to see a counselor during class time, unless it's an emergency. We encourage students to make arrangements during morning recess or lunch recess. Parents and students are encouraged to see a counselor for any school related concerns.

**School Nurse** – A School Health Counselor (SHC) and/or Licensed Practical Nurse (LPN) provides health related services to support student learning during the school day. Services include first aid treatment for injuries and illnesses, the administration of prescribed medications and/or treatments, BMI assessments, vision and dental screenings, maintaining immunization records and emergency contact information, and collaborating with other professionals to meet student's needs. Parent/guardian or authorized alternate is contacted for serious injuries and illnesses that may require exclusion from school or further evaluation by a Health Care Provider (HCP). Please update your child's emergency information as needed throughout the school year so that we may easily contact you or an alternate in the event of an emergency.

**Medication** – Medications may be administered by the SHC or LPN during school hours with written consent from the parent/guardian and the student's HCP, in accordance with current school policy. A student may self-administer medication with an authorization from the student's HCP and parent/guardian upon review by the School Nurse. Medication orders need to be renewed annually. Medication Consent forms are available in the Nurse's Office. Parent/guardian must supply the medication to school in its original container, appropriately labeled by the pharmacy. Parent/guardian are responsible for transporting medication to and from school. Medication will not be released to the student.

## Transportation

At the beginning of the School Year, parents are required to inform the Homeroom Teacher of the mode of transportation for their child after school. The school will compile a list of students in order to account for and place students at their appropriate dismissal area.

A note must be sent with the child to the Homeroom Teacher if there is a change in the mode of transportation after school. This notification will help ensure the student is dropped off at the appropriate departure area. **ABSOLUTELY NO TELEPHONE REQUEST or MESSAGES WILL BE HONORED.**

## Bus Transportation

Students who ride the school bus are expected to follow the bus rules and listen to directions given by the bus driver. The following rules are to be followed:

1. Students *will* be courteous to the driver, fellow students and to passers-by.
2. Students may be assigned seats by the driver.

3. Students *will wait* at the bus stop and be ready to enter the bus when it arrives.
4. Students *will remain seated* at all times while the bus is in motion.
5. Students will not extend hands, heads, or arms outside the bus window.
6. Students *will converse* in normal tones. Loud or vulgar language is prohibited.
7. Students *will not* deposit trash of any kind in the bus.
8. Damages done unto Government of Guam property will result in disciplinary action.
9. Students being transported are under the direct authority of the bus driver and his direct responsibility.

Please note that riding the school bus is a **privilege**, not a right. Violations of any of the rules will be reported by the bus driver to the school administrator and to the bus supervisor. Consequences may result in the following:

First Offense:	Written and/or oral reprimand by the school administrator
Second Offense:	Conference with parents
Third Offense:	Forfeiture of school bus privilege. Damages done by students while in transport will result in restitution.

NOTE: If the violation is severe, forfeiture of school bus privileges will be suspended immediately.

## Arrival & Dismissal

The campus opens at 7:15 a.m. Parents should not drop off their children prior to the campus opening because students will not be supervised by an adult. Parents are to drop off students in the morning at the designated unloading/loading zone (AH Mayor's Canopy) by the parking lot. If your child eats breakfast in school, please drop them off between 7:15 – 8:10 a.m. to allow enough time to eat breakfast and be in their classroom before 8:30 a.m.

Upon arrival, students are to proceed to the cafeteria for breakfast or to their classroom bench and remain seated until their teacher arrives.

At the end of the school day, all students will be escorted to their designated departure areas.

- **ASPIRE AFTER SCHOOL PROGRAM:** Students will report to their designated area for further instructions.
- **BUS RIDERS:** Students who ride the bus are escorted to the bus loading line. Personnel will escort the students to the bus to make sure they board safely. Buses will depart at 2:55 p.m.
- **WALKERS:** Students who live near the front of the campus line up by the entrance canopy and are released AFTER the buses leave. Student walkers who live behind the school will line up by the library and exit at the Agana Heights Mayor's Walkway gate. A school aide will stop traffic to allow children to cross the street safely.
- **CAR RIDERS:** Parents and guardians are to wait at Agana Heights Mayor's Walkway as the staff releases the students. Students are expected to sit and wait for their transportation.
- **AGANA HEIGHTS MAYOR'S OFFICE AFTER SCHOOL PROGRAM:** Students enrolled at the Agana Heights Mayor's Office for the After School program will line up by the school library walkway. An authorized adult from the Mayor's Office will arrive and escort students.
- **PLAYGROUND AREAS ARE OFF-LIMITS BEFORE AND AFTER SCHOOL.**

**\*\*Please note that Tun Kiko Drive (road between the school and baseball field) will be closed from 7:15 a.m. to 8:30 a.m. and again from 2:30 p.m. to 3:15 p.m. for student pick-up.**

## Student Discipline

The primary objective of school discipline is to maintain a safe and orderly environment that positively affects academic achievement. AHES will continue to implement the Positive Behaviors and Interventions and Supports (PBIS) system school wide. These PBIS behavior expectations are taught to all our students at the beginning of the school year and reinforced throughout the year:

Incentives are given to students who follow these School Wide expectations. Students who exhibit inappropriate behaviors will be disciplined. Discipline provides an opportunity for students to understand that inappropriate behavior results in consequences.

Classroom discipline procedures are based on the philosophy that the classroom teachers should take the first step to resolve minor classroom problems. Therefore, the teacher is responsible for documenting minor infractions and steps taken to resolve them. Students will be referred to the office after four (4) unsuccessful documented attempts to resolve minor disciplinary issues. Students will also be referred to the office when major infractions occur.

Major infractions (BP405) include, but are not limited to assault, possession of weapons/drugs, damage to school property, bullying, insubordination, intoxication, open or persistent defiance at school authorities, theft, and repeated violations of school rules, may result in immediate disciplinary action resulting in suspension by the administrators. For a detailed list of infractions and consequences, please refer to the Office Discipline Referral (ODR) Form. A copy is available in the main office.

- **OFFICE DISCIPLINE REFERRAL (ODR) FORM** – A discipline form is used to document student misbehavior. Any student sent to the office for discipline must bring his/her discipline form. Teachers must communicate with parents about minor incidences in the classroom so the behavior can be addressed and not become habitual. Teachers are required to inform the parents of any serious problems their child is involved in that may lead to disciplinary action taken by the administrator. Administrators will also inform parents of the issue. ***Discuss the ODR with your child; please sign it and have your child return the form to the school.***

#### Teacher Responsibilities regarding Discipline:

- Teachers will provide parents/students with the academic and behavioral expectations.
- Teachers will communicate classroom and school rules to parents.
- Teachers will communicate possible consequences.
- Teachers will contact parents/guardians, if inappropriate behavior occurs and/or becomes habitual.
- With habitual behaviors, a referral will be made to the administrator. If the behavior is a major infraction, the teacher will document and refer the students to the administrator.

#### Parent Responsibilities regarding Discipline:

- Teach your child **respect** for the authority of the school.
- Teach your child to **respect** the rights & property of others.
- Understand rules and academic/behavioral expectations your child is expected to follow/display at school.
- Instill in your child a desire to learn and respect honest work.
- Be involved with your child's school. Attend Parent-Teacher Conferences and school functions.

**OFF-LIMIT AREAS** – The following areas are off-limits during these times.

Before 8:30 am	Morning & Lunch Recess	After School 2:43pm
Playground	Behind C wing	Playground
Behind C Wing		Behind C Wing

#### **LAWS AND POLICIES GOVERNING STUDENTS**

**Public Law 32-009 and SOP 1700-007 (School Surveillance Cameras):** DOE schools will soon begin the installation of surveillance cameras on their campuses. They can improve the safety for students/employees and security for school and personal property. The intent is to deter outsiders from entering our school campus for inappropriate purposes and to deter students from inappropriate behavior, induce students whose inappropriate behavior is captured on recording to admit to the incident, and to provide hard evidence for parents. All cameras are situated in specific areas and take images of only those areas that are considered public places, where there is no expectation of privacy – school entrances, hallways, exterior buildings and other open areas on campus. The cameras will not be installed in any place or take images of any place, where students, staff, or visitors may have a reasonable expectation of privacy, such as classrooms, offices, teacher workrooms, restrooms, locker rooms, or other designated dressing rooms. The installation of these cameras are just one means that we are using to create a safe, secure, and orderly learning environment for everyone.

**Uniform Policy (BP401):** AHES school community supports and embraces Board Policy 401 (Uniform Policy). The intent of this policy is to promote appropriate attire, unity and pride, safety and security, minimize any social economic distinction, promote an environment free of harassments and improve student behavior. Uniforms for AHES will be the PTO/AHES sanctioned T-shirts sold by the PTO or the collared polo shirt sold at Gino's. Students will be allowed to wear any bottom provided that there is no alcohol/drug or other inappropriate advertisement. All students are required to wear closed-toe footwear to minimize accidents in the playground area. Students wearing open-toe footwear will not be allowed on the

playground during recess. Uniform T-shirts are worn daily and on fieldtrips. Students who refuse to wear the uniform t-shirts may result in, but are not limited to, the following: parents/guardians being notified, detention during break and lunch recess, non-participation in field trips. **Hats, beanies, and bandanas are not allowed on campus.**

**Uniform Waiver:** As a result of COVID-19, mandatory use of school uniform may be waived by the Guam Education Board. **AHES highly encourages student to use school uniform to promote school pride.**

**Uniform Donations:** The main office accepts uniform donations from students who have withdrawn, transferred, or promoted to middle school. These uniforms will be used as loaners for the day.

**Search & Seizures (Board Policy 407 and GDOE SOP# 1200-002):** GDOE is tasked with the responsibility of providing a safe environment that is conducive to learning. The Board authorizes the Superintendent to use all of the legal search options of GDOE to protect our students and employees from harm.

**Three Kinds of Searches Authorized in GDOE:**

- 1) Reasonable suspicion searches based on a reasonable suspicion that a particular student or group of students is in possession of contraband,
- 2) Random searches of students' vehicles parked on school property and school lockers may be conducted according to procedures developed, and
- 3) Blanket administrative searches to ensure the health, safety, and well-being of all GDOE student body.

Students are subject to search at any time while on any GDOE campus. These searches are guided by Board Policy 407 and governed by GDOE SOP# 1200-002 for Random Search. Again, these searches are necessary in order to maintain safe and modern learning environments that are conducive to learning. Searches of lockers, cars, and book bags are part of the Random Search Policy. If there is reasonable suspicion to believe that a student is in possession of articles considered dangerous, violations of the law, or violations of school rules and regulations, their person may be searched as well. They may be asked to empty their pockets or take off their shoes. **NO STUDENT WILL EVER BE STRIP SEARCHED** during the course of a Random Search or Reasonable Suspicion Search. These searches are meant to protect students from harm and maintain safe and orderly school campuses.

**Board Policy 405 (Suspension/Expulsion):** All suspensions must be initiated by a school principal as an exercise of administrative authority. No out of school suspension may last longer than twenty school days.

**Board Policy 406 (Cellular Phones):** Students may have cell phones on their campuses at any time so long as not to disrupt the instructional day and not used to take pictures or engage or facilitate in academic dishonesty. Students may use their cell phones during non-instructional hours. This means during breaks, lunches and at school sponsored activities.

**Board Policy 336.3:** Students who are found with head lice will not be allowed to come to school until he/she is treated and cleared by the school nurse/designee. Each student will be given only two days of excused absences for treatment. All other absences will be unexcused.

**Board Policy 440:** Students may not be on the school grounds from the time of their arrival until the time they leave at the end of the day unless they have written leave permission from both their parents/legal guardian(s) and principal.

**Board Policy 409:** All Students who attend any school within the jurisdiction of GDOE are governed by this policy. Schools shall be free from harassment, intimidation or bullying, cyber bullying, sexting and sexual harassment and shall provide an environment that is conducive to learning. School administrators shall ensure that the school environment is free of any threat while attending school and any school sponsored activities. Students shall immediately report incidences of bullying or sexual harassment to the school Principal, a teacher, and school aide or school employee.

**Board Policy 705:** Foods of Minimal Nutritional Value (FMNV) are prohibited from being **SOLD, GIVEN AWAY** or **PROMOTED** at any time during school hours of operation and during all sanctioned student extracurricular events.

## Additional Title 17 Guam Code Annotated (Education) Mandates:

**Section 6102:** Duty to send Children to School. Any parent, guardian or other person having control or charge of any child between the ages of five (5) and sixteen (16) years, not exempted under the provisions of this Article, shall send the child to a public or private full time day school for the full-time of which such school is in session.

**Section 6401.** (3) Truant. Truant means a pupil found to be absent from school without a reasonable and bona fide excuse from a parent for more than three (3) days during any school year.

**Section 6402.** Habitual Truant. A pupil is habitual truant if he/she has been reported as a truant three (3) or more times. If any pupil is a habitual truant, the principal or a designee of the school shall request the Superintendent to file a petition concerning such habitual truant in the Family Court of Guam.

**Section 5D. School Discipline.** Every teacher shall hold pupils to strict account for their conduct on the school premises and during recess. Teachers shall send a written explanation of the incident or problem to their school administrators at time of the referral.

**PARENT RIGHTS**- Parents have the right to file grievance:  
Steps for Parental Grievances (School Board Policy 830)

1. **Discussion with the Teacher** - Discuss the grievance or complaint with the child's teacher first. If it is a pupil - teacher problem, the parent/guardian must make an appointment - via the principal's office, to consult with the teacher at a time which will not interfere with instructional time.
2. **Joint Meetings** - If after consultation with the teacher, the parent or guardian is still not satisfied, he/she may then request a joint meeting with the teacher and the school principal. If, after consultation with the teacher and the principal, the parent or guardian is still not satisfied, he/she may request a joint meeting with the teacher, the principal and the Deputy Superintendent of Education Support and Community Learning (ESCL).
3. **Appeal to the Superintendent of Education** - If the parent or guardian, teacher, principal and the Deputy Superintendent of ESCL are unable to arrive at a satisfactory understanding of the problem involved, the parent or guardian may then appeal, in writing, to the Superintendent of Education.
4. **Appeal to the Board of Education** - If after a written appeal has been made to the Superintendent of Education and a satisfactory understanding of the problem still cannot be reached, the parent or guardian may submit an appeal, in writing to the Guam Educational Policy Board.

## **PARENT COMMUNICATION**

Communication between the home and school is an essential part of the elementary program.

You are encouraged to contact your child's teacher, counselor, principal or any specialist if you have questions, concerns, or compliments about your child's progress in school. There are a number of ways for parents to receive information about their child's progress and school.

- **Back to School Night/Open House** is a time set aside for the month of August or September for parents to visit their child's school and meet with teachers. Curriculum, grading practices, homework policies and general expectations are explained by each teacher. This is **not** a time for individual parent / teacher conferences.
- **Parent / Teacher Conferences** provide opportunities for teachers to share information with parents about their child's progress in school. The parent / teacher conference is an important means of reporting to parents and guardians. These conferences are scheduled in the fall and spring of the year. Additional conferences may be held at the request of the parent or teacher anytime during the year.

- **Student Planner** - This Student Planner will be used as a means to communicate between the school and the home.
- **Email / Telephone** - Contact is encouraged. Messages can be left during the day. Parents are encouraged to utilize email as well. Please contact your child's teacher and/or principal for their email address and/or phone number. Office personnel can also be reached at [ahesbumblebees@gdoe.net](mailto:ahesbumblebees@gdoe.net)
- **PowerSchool – The ParentPortal** may be accessed by parents of 1<sup>st</sup> to 5<sup>th</sup> grade students. Parents may review their child's performance and email the teachers through the ParentPortal. Please visit the Main Office for your username and password. PowerSchool also has the ability to send out mass messages (**SwiftK12**) via telephone, text messages, or emails. The school will send out announcements and reminders when needed.
- **AHES Parent-Teacher Organization (PTO)** can provide valuable support and service to students and staff. Parents are encouraged to become active members and attend monthly PTO meetings.
- **AHES Web Site** at <http://aganaheightselementaryschool.weebly.com/> - provides information about AHES.
- **District Web Site** at <http://www.gdoe.net/> - provides general information about the GDOE School District and its programs.

## Emergency Procedures

AHES has a detailed **Emergency Response Plan (ERP)** to manage various emergency situations and/or threats, but for a quick reference everyone is asked to familiarize themselves with the following safety and evacuation procedures. Whenever the building must be evacuated, students must follow the assigned evacuation routes, and go to the assigned holding areas where the teacher will take attendance.

**Drills** – Drills will be held monthly. The various drills will include fire, earthquake, shelter-in-place and lockdown drills. All school personnel, students, and visitors must adhere to the drill and/or evacuation procedures/routes posted in every classroom and office. Students will be guided to the AH Gym (Primary meeting area) or the AH softball field (Secondary meeting area) by their teachers. No one will be allowed to return on campus until the all-clear signal is given by the School Administrator or Guam Police Department/Fire Department.

**Typhoon Condition of Readiness (BP 510)** – Schools are normally dismissed shortly after Typhoon Condition of Readiness (COR) II is declared. If typhoon COR II is declared while school is in session, buses will be called and students will be sent home. Parents should listen to the radio to determine when and if students should return to school.

- COR IV: Guam is always in COR IV. A typhoon may develop and hit the island within 72 hours.
- COR III: A typhoon may possibly hit the island within 48 hours.
- COR II: A typhoon is expected to hit the island within 24 hours.
- COR I: A typhoon is expected to hit the island within 12 hours.

## Pandemic Condition of Readiness (PCOR) System

The Pandemic Condition of Readiness (PCOR) system determines gradual lifting of public mandates and restrictions based on specific circumstances and medically-driven and public health readiness triggers that inform a decision by the Governor. There are four phases to this system, ranging from PCOR 1 (maximum restrictions) to PCOR 4 (no restrictions). Please refer to

**Bomb Scare** – If the school should receive a call relative to the presence of a bomb, shelter-in-place procedures will be initiated at that time. Students may exit the school if the evacuation procedures are initiated by the Principal or designee. Re-entry to the building will be prohibited for all personnel and students until the School Administrator or Guam Police Department/Fire Department has granted clearance.

**Earthquake Procedures** – Students are to find cover shelter and **DROP, COVER, and HOLD**. Listen to your teacher for further instructions.

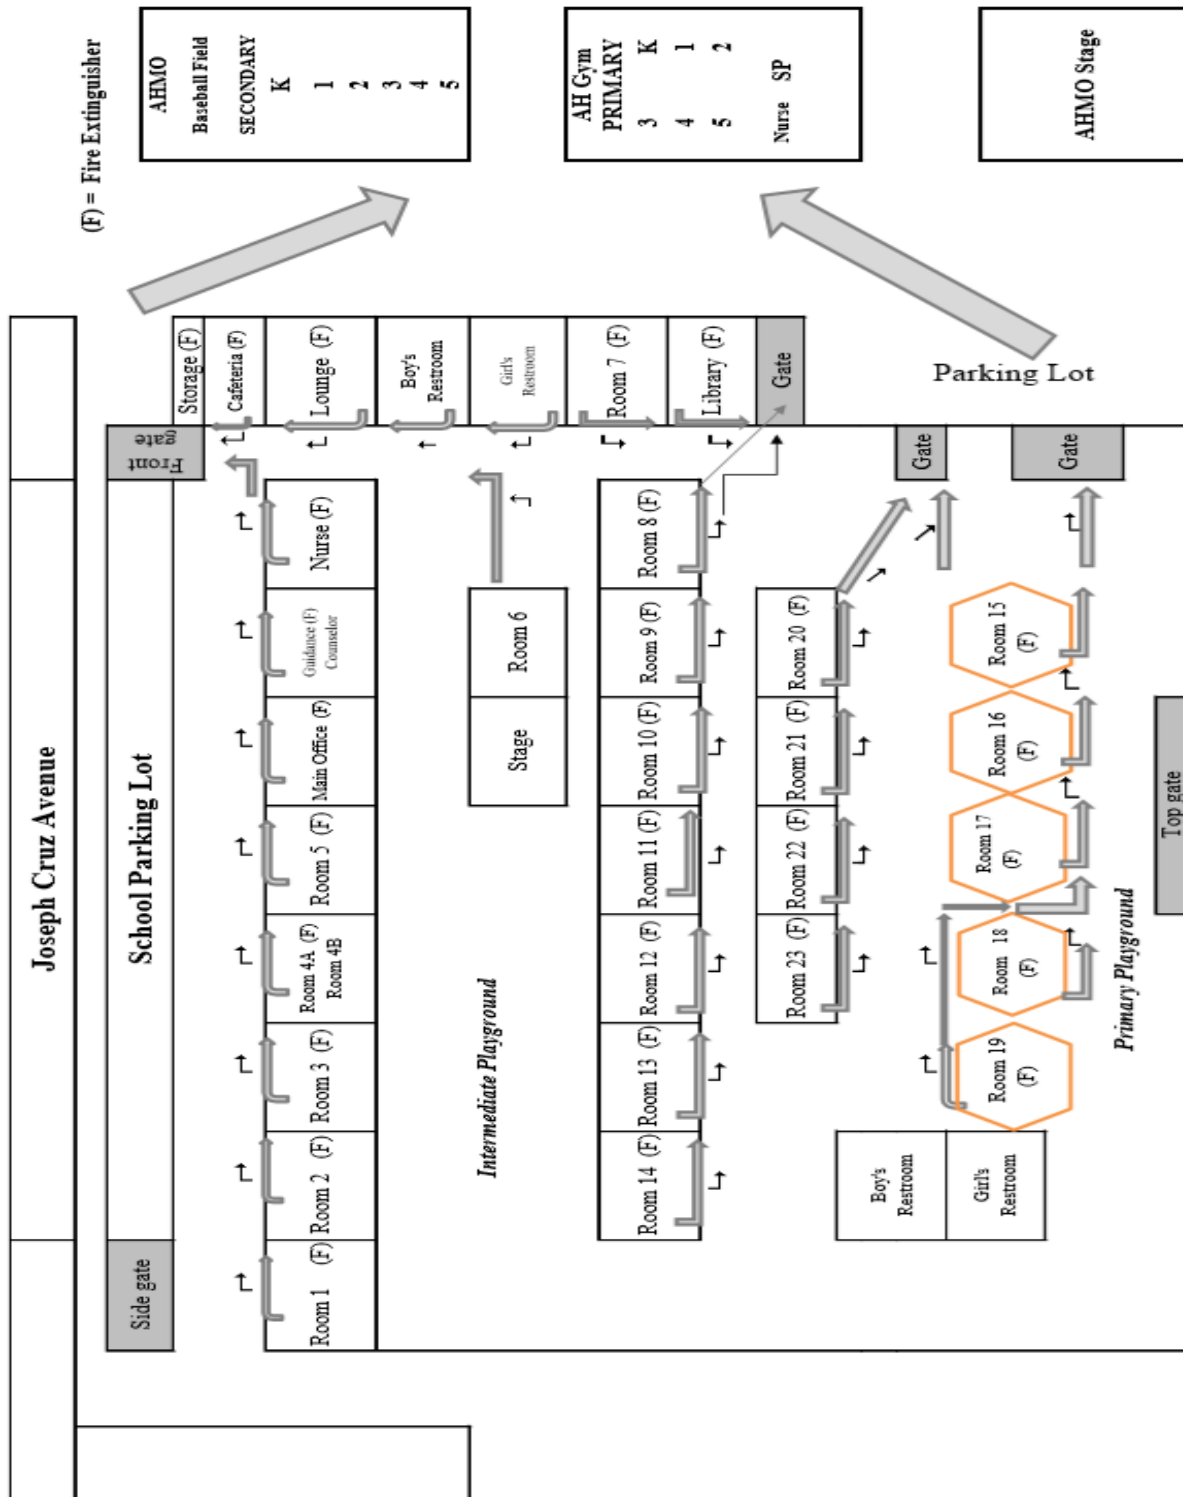

**Lock-Down** - Lock-Down may be necessary when there is an immediate threat on campus. Employees and students are to lock the doors, turn of the lights, remain quiet, and move away from the doors and windows

**Shelter-in-Place** – May be necessary when there is an immediate threat to the school/outside, but students are safer remaining in doors. Instruction will continue but faculty/staff and students are to remain in the classrooms and offices.
